

What to Expect on

The Day of the Build

✓ Professional Guidance

The Build is led by Master Carpenter, Jeff Maberry, who is a wizard with a saw and an excellent teacher.

✓ Program Coordination

Program Coordinator, Mary Maberry, will also be on hand to ensure that everything goes smoothly, to provide support, get additional lumber and make sure lunch arrives!

✓ Lumber and Materials

Hammers of Hope typically provides the necessary lumber and materials unless other arrangements are provided. We would appreciate any assistance with the costs and/or you have a particular supplier you would like to use.

✓ Tools

The tool most often used at the Build is an impact drill/driver. HOH has four of these, but if an individual would prefer to bring their own tools, they are more than welcome to do so.

✓ What to bring?

- Bring a chair for taking breaks
- Any non-alcoholic beverages you prefer other than water and Gatorade
- Hats
- Gloves
- Close-toed shoes

Hammers of Hope

Day of Service

What A Hammers of Hope Volunteer Does:

You'll help build a safe ramp or stepped entrance into the home of someone who, due to illness, finances, or other circumstances, is unable to care for such needs themselves.

Beyond the physical need, you help restore the recipient's dignity. Often, there has been an embarrassing fall or a call to the fire department for medical assistance.

You'll also restore faith in the goodness and kindness of your fellow humans. This will be recognized by the recipient, their neighbors, your fellow volunteers, and yourself.

You will gain the satisfaction of seeing a completed project and, knowing you helped create that, might even encourage you to try new projects of your own.

You may learn a new skill or share a technique while having a good time with new friends and acquaintances.

Hammers of Hope

VOLUNTEER REGISTRATION AND WAIVER OF LIABILITY

Hammers of Hope, a collaborative effort done in partnership by the Jefferson County Community Partnership and other non-profits and volunteers, is a project in which the home of the disadvantaged, elderly, and persons with disabilities will be repaired. In consideration of the opportunity afforded to me to assist on a voluntary basis in the Hammers of Hope Repair Project and in light of the aims and purposes of the community service provided by Hammers of Hope in organizing the Home Repair Projects, I hereby waive any right or cause of action arising as a result of my participation in said Project from which any liability may or could accrue against Hammers of Hope or its officers and directors collectively or individually. Without limiting the generality of the foregoing, I agree that this waiver shall include any rights or causes of action resulting from personal injury to me or damage to my property sustained in connection with my activities for the Home Repair Project. I acknowledge that I am volunteering and will receive no compensation for my efforts. This waiver shall apply to any project I may be involved with both now and in the future. I also consent to allow any pictures taken of me or the project I work on to be used for publicity or promotional purposes in print, television, radio or internet media.
